PLYMOUTH & DISTRICT SHORE LEAGUE

HEAT 1

Welcome to SHORE LEAGUE 2010 , good luck to all competitors new and old for the forthcoming season . 21 teams will compete this year in 2 full divisions , thank you for your support .

Sponsors this season are Devonport Royal Dockyard Employees Trust , Clives Tackle & Bait & Plymouth Angling , many thanks for their continued support of the event .

Firstly apologies for the weigh-in , unfortunately there were a couple of functions on and it was busy and noisy . I have no way of knowing or avoiding these events because most are booked after I have picked the shore league dates . But , please remember the venue is free and it doesn't happen to often .

Stonehouse A continued where they left off last season top scoring with 29 pts , Roy Reptons Smoothound of 12-3-8 was backed up with a Huss of 12-6 by Ashley Cockram and Andy Plants Mullet of 4-12-8 .

This years AGM voted for removing the limits from where you can fish , this vote I feel didn't have enough thought put into and I feel will be detrimental to the competition . The committee will be putting forward a proposal at the next AGM to rectify what I feel is a mistake . Please give it some thought and discuss amongst yourselves and your clubs , remember all our weights have been set over many years to reflect what is caught in Devon and Cornwall .

I think probably limits of mainland Devon , Cornwall , Somerset and Dorset would be a good compromise with a few adjustments to our weights to suit these areas . I would ask for this year that although you can fish anywhere please fish within the spirit of the competition .
